A German dialect spoken in Alsace (France), has rapidly lost way to French since This book Identity, Insecurity and Image: France and Language. Jeffra Flaitz. Walter de Gruyter GmbH & Company KG, - English language - pages Identity, Insecurity and Image: France and Language D. E. Ager.

Seven seem to recur: identity, insecurity, ideology, image, inequality, integration) and Identity, Insecurity and Image: France and Language (Multilingual. Yet this is not the image that one usually associates with the French reac- . French music, 34 percent on the French language, and 34 percent on French food.5 Public France on the need to defend France's identity, way of life, and cultural her- itage. .. Several other food crises added to this sense of food insecurity. For. Keywords: Cultural insecurity, France, discursive entrepreneur, cultural hegemony . no reference, if any, to its existence in other nations or languages). . should remove their veil for identity photographs to the image-driven. Rethinking diversity and difference in French language practices. Authors This paper contributes to a debate on linguistic identity and social participation in France by providing a critical reading of Diversity France Language activism Language policy Performativity Identity, insecurity and image: France and language. Linguistic insecurity comprises feelings of anxiety, self-consciousness, or lack of confidence in the mind of a speaker surrounding the use of their own language. Often, this anxiety comes from speakers' belief that their use of language Linguistic insecurity

is the negative self-image a speaker has regarding his or her own.

Identity, insecurity and image. On the other hand, for some nationalities, the regulation of language use seems interventionist in the extreme. France sometimes seems to want to replace one hegemony as it sees the.
